

St. Thomas the Apostle
Episcopal School
Enrichment Program

**Welcome to Afternoon Enrichment, Hosted by
St. Thomas the Apostle Episcopal Church & School
March 20 – May 27, 2017**

St Thomas is poised to become the afternoon enrichment hub of the Clear Lake Area for students age 3 - Adult! It is our hope that learners from across the area will convene at St. Thomas for convenient, stimulating classes with knowledgeable and dedicated instructors.

Take a look at this session’s selection of class offerings **during three session times (3:30, 4:30, and 6:00)**, and pick and choose the experiences you would value. Fun Factory Day Care is also available during each session M-F, and will be free of charge if an enrichment class is taken that day. Otherwise, Fun Factory is \$15 per day.

To register, **print** these selection sheets and any other necessary paperwork for the appropriate age group, and **circle** all desired classes.

Submit the following, available on the website: www.stesnb.org, to the STAES Office:

- After School Enrichment Program Registration Forms (this sheet and selection sheet)
- STAES After School Enrichment Program Health Form (New Students)
- Immunization Records (New Students)
- Health Insurance Card (New Students)
- Photography and Media Permission Form (New Students)
- Payment for the nine week sessions chosen (due the first day of class)
- Supply Fees, if required (due the first day of class)
